## 6. MAP

## 5. ARCHIVES

### Digital collections

Collection of documents, scores and testimonies that provide us with a vivid image of Giuseppe Tartini.

→ **Search in the Archive**

### Iconography and biographical sources

A collection of documents, scores and testimonies that provide us with a vivid image of Giuseppe Tartini.

→ **Iconography**  
 → **Antique bibliography**  
 → **Modern bibliography**

### Sound archive

To discover a universe of music as well as the better-known Trillo del Diavolo, an archive of the performances of the music written by Tartini has been gathered here.

→ **Digital outpourings**  
 → **Paperback "Il Suono di Tartini"**

### The thematic catalogue of compositions by Giuseppe Tartini

The setting out of the digital thematic catalogue allows integrated queries and searches. In the case of the thematic catalogue available on the discovertartini.eu website, the programme was modelled for the first time in Italy and Slovenia on the software of the MerMEId project with the advice of the librarians of the Royal Danish Library in Copenhagen.

→ **View catalog**

### Discography

The Catalogue of known recordings of Tartini's music on both vinyl record and CD is presented here.

### Letters - Giuseppe Tartini's treatises and theoretical and educational texts

During his life Giuseppe Tartini wrote many letters, now kept in public and private archives in both Europe and the United States.
